

## **Project „Alpen.Leben.Integration“ of Deutscher Alpenverein 2022**

**Members and honorary from the sections with fled people (whether from the Ukraine or from other lands) and German Mitbürger\*innen with immigration history bring together – this is the purpose of a new project support of the DAV and his group partner of the Maltese of auxiliary service. There are promoted DAV sections which organize one action day climbing or action day walking and bring together therefore many people, cultures and traditions.**

### **Goals:**

- Experience nature by walking
- Try out themselves by the climbing
- People from other lands hit and integrate
- Get to know own culture and other customs cultural-sensitively
- In the Alpine Club and other local groups take part and participate

### **Action days in Sections**

Together balance and fun in movement find, get to know other cultures and traditions and hold together.

#### **Action day "*Menschen.Klettern*"**

- In the climbing hall of the section non-members and members from different nations meet and spend together time by the common climbing. Trainer\*innen provide for the sporty frame and promote mutual getting to know.

#### **Action day "*Menschen.Wandern*"**

- Non-members and members from different nations go together walking. Trainer\*innen provide for the sporty frame and promote mutual getting to know.

The sections which organize one action day write out this publicly, work at local level with local authority district, schools, Maltese, housing groups etc. together. Consultation and financial support is guaranteed about the project management in the department sports development.

The target group of the people of the project is big very much and varied. Besides, it is important the project persons responsible that the offers are open basically for everybody. The barriers which stand in the way of the participation of a person during one action day, should be diminished where always it is possible or be overcome.

→ people with migration background, i.e. the persons who (shares) either even or their parents without German citizenship were born, and which have immigrated or have a generations-covering family history with immigration without having immigrated independently.

In the project the focus lies:

to adult and old people to allow meeting and exchange beyond own origin circle and to promote psychosocial well-being,

- social-undprivileged to equalize to their socioeconomic disadvantages and to allow a niederschwelligen access to movement, play and sport,

- protection-searching to produce first contacts and trust to diminish linguistic barriers and to bend forward isolation and isolation.

persons under age, taking into account specific Bedarfe of girl and young women as well as boys and young men to reach above all continuous sports activity in the DAV section.

long-time residents to use their experiences and to include newcomers and integration disadvantaged person in the society and the DAV section.

### **Address means:**

- polyglot Flyer and poster
- polyglot homepage
- personal establishment of contact to lodgings and housing groups, asylum assistant circles and their pipelines as well as to migrant's groupings on site and in the DAV section (land groups)
- public announcements in local media

### **Important contact places to the cooperative address:**

- migrant's organizations on site
- equipment and authorities, like social office, sports office
- educational institutions, like school, kindergarten, linguistic course bearer
- social equipment, like well-being federations, churches, (Migrants) sports associations
