**10.00 – 10.45 am**      **Management positions in climbing gyms – know the scope of responsibilities and utilize personnel skills**  
Foyer East

Leaders bear responsibility – not only for processes, but above all for people. How can operators and managers realistically assess staff skills, support the personnel and deploy them sensibly – for a strong, well-functioning team!

Speaker:              Rebekka Schütze, gym manager at the DAV Centre in Darmstadt

Moderator:          Julia Zschiesche

**12.30 am – 1.45 pm**      **Creating access – routes that connect!**

Climbingwall Hall A6

Climbing is for everyone – we create routes that exclude no one. Barriers down, holds up – diversity on the wall counts more than difficulty grades. Inclusive route setting with a presentation of suitable climbing holds from different manufacturers.

Presenters:          Julius Kerscher, DAV Bundeslehrteam Routenbau  
Judith Lattner, Alpen.Leben.Menschen/Inklusion  
Anja Pinzel, Alpen.Leben.Menschen/Inklusion

**2.00 – 2.45 pm**              **Autobelay devices: Critical incidents, accidents, risks and recommendations from the DAV**  
Foyer East

Serious accidents repeatedly occur when climbing with autobelay devices due to failure to clip in. The DAV presents the results of its survey on the operation of autobelay devices. Together with the results of accident statistics with a special focus on accidents involving autobelay devices, recommendations for setting up autobelay lines are presented.

Speakers:              Dr Tanja Ganz and Lorenz Berker, DAV Federal Office

Moderator:          Julia Zschiesche

**5.00 pm**                      **End of fair**
